

## MY CLASSROOM

### A. READ THE TEXT.

Hello, my name is Martha and I am 10 years old. I go to Saint Julian's school and I am in 4<sup>th</sup> grade.

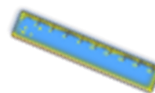

There are 24 students in our class, 14 girls and 10 boys. Our teacher is Miss Rachel.

My classroom is big and nice. There are a lot of posters and pictures on the walls. In our classroom there is a computer and a blackboard.

Our desks are green and chairs are blue. On my desk I have my pencil case, it is colourful. In my pencil case I have got many things: a red sharpener, two pencils, a rubber, three markers, glue and a purple pen.

I always go to school by bus with my best friend, Tina. We like our school because there are three playgrounds, two computer rooms, a large gym and a fantastic music classroom with many instruments.
